   iii. The Chairman may be authorized to finalize the minutes of the meetings, as insisting on every member's presence and signature on the minutes on the day of the meeting may not be practical, because of the long agenda discussed in such meetings taking full day and in view of the constraints of time of outstation members, after full day of the meeting.

B. Subsequently, detailed discussions were held on each of the Agenda Items and after respective PIs' briefing/ presentations, wherever invited. The recommendations/ decisions of the DEC in respect of each Agenda item is given below:
